- 83% with low to moderate income

**Outcomes Of all the children in Big Brothers Big Sisters' programs...**

- 97% maintain or improve performance
- 95% attend their classes
- 86% are more respectful
- 76% read at grade level
- 97% are on track to move to next grade

Dear Community Partner,

You can be a part of a special event that helps local kids get the mentors they need to thrive in life and promotes your great work to thousands of people in our community. All it takes is sponsoring Big Brothers Big Sisters' Golf Fore Kids' Sake fundraiser.

One of our key annual fundraisers is our Golf Fore Kids Sake event where companies, organizations, and members of our community support our mission through sponsorships and participating in the golf outing.

Big Brothers Big Sisters' programs let every child in our community reach their full potential by making sure they succeed in school, have healthy relationships, and avoid drugs and alcohol.

Everything we do is free for all children's families and volunteers, so we rely on the proceeds from Golf Fore Kids' Sake to touch the lives of 250 kids a year.

Thank you for your consideration. Please consider joining our team by becoming a sponsor for Golf Fore Kids' Sake. You will be lifting up kids to be the best that they can be while showing thousands of people that you truly care about our community.

Sincerely,

Zachary Nahass  
Board President  
Big Brothers Big Sisters of York and Adams Counties
